HOME TOWN FOLKS

We welcome to Brisbane's business district two San Franciscans who have purchased the Dandy Market: Mr. John Vivaldo and Mr. Robert Vannucci. They are both veterans; Mr. Vivaldo was a Bombardier Instructor for three years. Mr. Vannucci was in the Navy for six years, was at Pearl Harbor, saw action at Guadalcanal and all points west as Chief Petty Officer. Lots of success, boys.

New Home Owners:

Mr. and Mrs. Marvin Fogleman have just bought a new home at 660 Humboldt Rd.

Mr. and Mrs. Sanford Lewis bought a new home at 209 Trinity Rd., and Mr. and Mrs. A. G. Brooks bought a new home at 102 Mendocino. This is THE spot to buy a home, isn't it, folks?

Mr. and Mrs. Dale E. With and family have moved to Turlock for the summer, and while there will be busy in the wholesale and retail produce business.

Sam and Gloria Mirza have also gone to Turlock for the summer.

Mr. and Mrs. L. W. Whitely and family of Klamath Street are moving to Redwood City. Daughter Betty will continue her schooling at Jefferson, graduating this Spring.

The owners of the Sunrise Bakery, Mr. and Mrs. D. D. Stout, recently enjoyed a very pleasant visit with their daughters-in-law. The two young matrons, Mrs. Asa E. Stout and Mrs. Victor H. Stout, appreciated the sunshine of Brisbane after traveling through snow in Wyoming and Utah while coming from the East. The latter is the former Wilma Werdermann of New Jersey and Ocean Parkway, Brooklyn, N. Y.

Charlie Dixon Breaks Ankle.

While in the city picking up supplies for the Hardware Store, Charlie Dixon stepped off a loading platform and broke his right ankle. A cab was called to rush him to the hospital (Marys Help) Charlie wanted to go to St. Mary's. Upon arriving at St. Mary's his ankle and foot were put in a cast. He was then sent home with a brand new pair of crutches. Autographs are welcomed.

Brisbane to Celebrate the Fourth of July.

With all organizations in the town cooperating, Brisbane can expect the grandest Fourth of July celebration in its history. Extensive plans will be worked out for amusements and entertainments — A huge parade — Soap Box Derby highlighting the day, sponsored by The Fire Department.

(Rules and regulations of the Derby are printed elsewhere in this paper.)

The Ladies of The Chamber of Commerce are conducting a cake booth in The Recreation Building where they will feature home-made cakes and ice cream. The proceeds from the sales will go toward the prize monies.

We welcome Mr. and Mrs. Daniel Drake who have moved to Brisbane from San Francisco.

Tex Bolden of the Texaco Station slipped in his bathroom and cut his leg on the glass shelf he broke in trying to stop his fall. Didn't anyone ever tell you it's dangerous to take baths in the Summer, Tex?

Frank (Red) Cummings, former driver of the Brisbane route of the Sun Valley Dairy, wishes to be remembered to all his friends in Brisbane. Red now has a chicken ranch near Santa Cruz.

Mrs. Wally Delbon is taking a two months leave of absence from the library. Mrs. Don Williams will be there to assist you during the months of June and July.

Geo. Radoff of Phil's Fountain was taken to the hospital with severe pains around his heart. Geo. is in St. Luke's under observation.

While on his job at the Union Oil Company, Eddie Brenzel slipped and fell, tearing ligaments in his hip and back. He was taken to the hospital May 9th, spending a week hospitalized and is now home, up and around, recuperating.

Mr. and Mrs. A. E. Kennedy of 1100 Humboldt Road, recently returned from a week tour to Seattle, breaking in a new automobile.

Mr. and Mrs. Robert Parrish and Son, Mike, 1100 Humboldt Road, returned home after a two weeks sojourn in New York City. The round trip was by air. Mr. Parrish is with United Airlines.

Crocker Estate Project.

During the month of May the first steps were taken in the planned expansion and industrialization of Brisbane on the Crocker Estate property in Guadeloupe Valley.

According to Mr. Morton of the legal division of the Crocker Estates the fill needed in the marsh field is being taken from the hill to the West of this expanse. The grading of the rise is so being done that the profile contour will remain the same.

The Macco Construction Company is doing the preliminary work on the project and it is expected that the filling in will be completed at the end of the summer. No other action is contemplated until a solid base for future construction has been made.

Mr. Morton said that roughly ten or twelve acres of land, laid out in a triangle with its apex near the present entrance to Brisbane, have been allocated for a new residential area. This district will extend northward from Visitation Avenue. The balance of the Valley Flat will be set aside for industrial sites.

He also stated that the Estate expects to continue the operation of the dairy farm in Guadeloupe Valley for some time to come.

4. The Chamber and other advertisers are released of all liability for any advertisement heretofore printed by Publisher. The Chamber is to hold said money deposited with them in escrow, to be paid to Publisher after approval by the Chamber of proof for the new directory.

8. Publisher agrees to submit said proof within 30 days after the Chamber furnishes said listings and to deliver completed directories 30 days after The Chamber returns the corrected final proof to Publisher.

9. The Chamber acknowledges receipt hereof of the sum of \$100.00 agreed to be paid by the Publisher to defray legal expenses incurred herein by The Chamber.

Open House

by Allan Adams, President, Brisbane Chamber of Commerce.

The Brisbane Chamber of Commerce will hold its second quarterly Open House at 8 P. M., Tuesday, June 3rd at the School House.

The public is cordially invited. All organizations or their representatives are also invited. At the close of the meeting refreshments will be served.

The Open House meetings are held every three months. At these meetings discussions are, and will be, on problems that vitally affect the lives and pocketbooks of the residents of Brisbane.

If you are interested in adequate police protection — better streets — expansion of the sewer system to cover the upper areas of Brisbane — juvenile delinquency, or any other subject pertaining to our town, you should attend these meetings. Here, you can state your wants — air your grievances and engage in healthy discussion that can and will be beneficial to Brisbane.

It is only by open debate and a free exchange of ideas, that an efficient pattern of local government can be attained. By this method we will receive the utmost for our efforts and money, for a municipal government and service.

Today, Brisbane and all other unincorporated towns in San Mateo County, are facing the unavoidable fact, that if we except anything in the way of municipal improvements or service, we must do it ourselves.

It seems that the County Officials are, either too busy with other affairs, or have adopted an unofficial policy of forcing all unincorporated towns to stand on their own feet.

It is high time that we get on our horse and do something about it instead of relying on the proverbial "George".

Local Business Man Retires.

On May 9th, at The American Legion Hall, a farewell party was given for Mr. and Mrs. Dick Schroeder. Dick sold half interest in the Brisbane Hardware to Charlie Dixon. Dick and The Missus are retiring to Paradise, Calif., where they own a small fruit ranch. Dick said, upon leaving, being born and raised on a farm, it was hard to take the farm out of the boy. Dick is planning to ranch it for a year or two and if it does not pan out, he will be back in Brisbane.

CALIFORNIA LEGION BOYS' STATE SET FOR JUNE 21 - 28.

Father's Day.

July First should be Fathers Day. On the first of the month "Pop" will get the bills for all the fine gifts he received two weeks before.

We understand there is some sort of legislation pending in Congress which will, if passed, declare a moratorium of thirty-six years on all debts incurred by Fathers for their Fathers Day gifts. This period, according to the originator of the bill, allows a reasonable time for the demise of the parent and the debt is passed on to his heirs who are the original donors. (Editors Note: Our source has never been in Washington, therefore we cannot vouch for the accuracy of this report.)

It can be seen quite readily that there is a danger that this would end the practice of giving Dad a token of our esteem once a year. Have to kick him around through the whole year in that event.

Of course, if the old boy is spared this added expense by virtue of the fact that his present comes out of Junior's allowance, Fathers Day follows Mothers Day so closely that the donation usually looks it. Who arranged that? Probably the same woman who made sure that Mothers get the first crack at anything left in the bank after paying for the Easter Parade trappings.

A necktie manufacturer originated Fathers Day observances. His reasoning that a middle-of-the-year clearing out of some of his more fantastic stock numbers would result, seems to be pretty well born out if the crimson faces of fathers all over the United States the Monday after are an indication. Christmas is the only other open season on father's dignity.

Despite the fact that dad will pretend that June Fifteenth is just another Sunday, we all know he'll be anxious to see if anybody had any original ideas this year or if his carefully dropped hints brought results. And while we know he'll be disappointed in both expectations, his reaction will be, a grinned "You shouldn't have done it."

SENIOR SCOUTS

The Senior Scout movement in Brisbane is progressing quite well. The Sea Scouts, under the able leadership of Norman Brown, as skipper, are coming along in good shape. All Scouts, as this goes to print, will have passed their apprentice exams. Walter Hubrig has been appointed acting Second Mate. The entire Ship's Company expects to be in uniform by the Fourth of July.

The Senior Scout Committee has authorized the forming of an Air Scout Squadron with Fred Schmidt Sr. as leader. Fred is remembered as our former Fire Chief and also Cub Master for a short time. Preliminary meetings of the Squadron have been held with several Scouts in attendance. Mr. Schmidt is planning an ambitious program.

The Senior Scouting movement is open to Boys between the ages of fifteen and eighteen and with or without previous Scouting experience. Any boy interested can contact Mr. Norman Brown, 560 Alvarado Street, for the Sea Scouts, or Mr. Fred Schmidt, 51 Mono Street, for the Air Scouts.

And what is so rare as a day in June?
Then, if ever, come perfect days;
Then Heaven tries earth if it be in tune,
And over it softly her warm ear lays.

James Russell Lowell

Arithmetic for the June bride: In any problem that arises, if you meet him 75% of the way and he meets you 75% of the way — the overlapping 50% will make for a perfect marriage.

For a lovelier June Garden: Dry bulb foliage can now be completely removed. Planting of summer annuals is possible over daffodil beds. Tulips, hyacinths, and ranunculas are best lifted before beds are planted.

Weeds should be killed before they go to seed. Crab grass, dandelions, plantain, and clover can be destroyed with commercial weed-killers without injuring grass.

Chrysanthemums need pinching of the buds at the tops of the stems to prevent premature blooming or spindly plants.

When picking roses, do not cut stem down to main branch. This sacrifices future bloom. Make a slanting cut a quarter of an inch above an outward-pointing bud.

Here are some helpful hints for the harried housewife:

Tweezers are a real help in pulling out basting stitches or ripping seams; keep a pair in the sewing basket.

To give corduroy that professional look after it has been laundered, take the garment to the line in a pan of water and hang it up without wringing. After the garment has dried thoroughly, press lightly on the wrong side with a warm iron.

You can save time and heat by cooking vegetables in the lower half of the double boiler while making cream sauce for them in the upper half.

Letter writing: For those of us who find letter-writing a chore (and most of us do) here's an idea: Keep a small pad of paper handy in the kitchen and as ideas, jokes, news via the radio, etc. come to you, jot them down. When that letter-writing time comes, you'll find that you have something to put in besides the weather and your latest worry.

Lemon Pie

Phone him you've a lemon pie
Clear and gold and heaping high.

Topped with egg-white whipped to foam —
Watch your husband hurry home!

Recipe: Blend 1½ cup sugar and 6 tbsp. cornstarch in double boiler. Add 1½ cups boiling water. Cook over direct heat until mixture boils. Cook 10 minutes over boiling water. Beat 3 egg yolks. Stir them into a little of the hot mixture, then mix this into the rest of the hot mixture. Cook 5 minutes. Blend in 3 tbsp. margarine or butter, 4 tbsp. lemon juice and ½ tsp. rind. Cool slightly. Pour into baked pie shell and top with maringue.

Maringue Beat 3 egg whites, add 6 tbsp. sugar and ¼ tsp. cream of tartar. Whip into peaks, add to pie and bake slowly 15. minutes.

Salt is the most essential of our seasonings, but have you ever thought how many other uses it has? Here are just a few:

One tsp. salt added to water will keep a cracked egg intact while cooking. The inside of a coffee-pot can be cleaned by applying salt with a brush. For aching feet: two handfuls in basin of hot water. Mosquito bites: make paste of ¼ glass of salt and ¼ glass soda. Fatigue relief: in a luke-warm tub of water pour a package of salt and relax for 10 minutes.

Use as a mouth-wash, dentifrice, or eye-wash (½ tsp. in pint of water)

This poem, by one of our most gifted women writers, seems to have been written for Brisbane. It is from "Renaissance and other Poems" by Edna St. Vincent Millay:

Afternoon on a Hill.

I will be the gladdest thing
Under the sun!
I will touch a hundred flowers
And not pick one.

I will look at cliffs and clouds
With quiet eyes,
Watch the wind bow down the grass,
And the grass rise

And when lights begin to show
Up from the town
I will mark which must be mine,
And then start down!

Graduation Ceremonies.

The Annual Graduation ceremonies will take place on Wednesday, June 11, at 8 P. M. Bayshore High School auditorium, because of its spacious accommodations, has been chosen as the location of this event giving the families of the large number of graduates an opportunity to extend invitations. Mr. Stanford Hannah, Superintendent of Jefferson High School will be the guest speaker and has chosen a topic which should be of great interest to all concerned with the development of educational facilities in this area.

A program of music with the School Band and Glee Club, under the direction of Mrs. Bartlett, has been arranged. — School will close on Friday, June 13 and will reopen on Wednesday, September 10.

Teachers Contracts.

All the teachers at present on the staff of the Brisbane Public School have indicated that they will return to their positions for the 1947-48 terms.

Substantial increases in salary were granted in the signing of their contracts by the School Board members. These increases were made possible by the passage of legislation by the State Assembly last year.

Election Results.

Mrs. M. Isdahl was elected to the School Board of Trustees as a result of the May 16th Election. The Electee received 147 votes while three write-in names totalling six votes were entered.

Tax Rates will be increased to allow for Jefferson High School Shop Building improvements as voted in this election.

Catch Window Smashers.

Four local boys were recently apprehended breaking windows in the school building and were turned over to the Probation Department for action.

The school district was reimbursed in the sum of forty Dollars collected from the parents of the boys by Probation Officers.

Because of the age of the youths involved, their names were not revealed for publication.

Hope that this decisive action prevent future occurrences of this nature, has been expressed by the School Board. Almost every window in the school building had to be replaced before the reopening of classes last year, at a cost which reflects in the annual budget.

School Improvement.

A recent advertisement in the San Mateo Times revealed the fact that plans are underway for the addition of a Library room to the Brisbane School.

Bids for this alteration to the school will be accepted on June 3rd and the contracts probably will be let shortly thereafter.

American Legion News.

By Ted Bons, Commander

Once again Brisbane Post 473, American Legion, sends a boy to Boy's State in Sacramento. This year it will be Fred Huston, son of Mr. and Mrs. Earl Stout, of 340 Mendocino Street.

Each year the boy with the most outstanding scholastic record during his junior year in highschool is selected by his Principal and fellow students. He goes to Boy's State for eight days, all expenses paid by the local Post.

In order to prepare the youth to become good citizens tomorrow, and in order that they may be qualified to be intelligent citizens, voters and officeholders, the youth of today must be trained to understand the structure and the "workings" of their government.

To encourage and develop a deeper interest in, and study of these problems of government, beyond what the boys get in high school today, the BOY'S STATE was founded. It is today an established part of the Americanism program of The American Legion.

Good luck Fred and have a good time. Be a credit to the youth of Brisbane whom you represent. You will mingle with young men from all parts of California. We hope you get elected governor.

Due to a few legal obstacles our MEMORIAL BUILDING is slowly getting started. As soon as they are overcome, work will be started. The building will be the nicest and the most beautiful building in Brisbane. It is a shame that we run into obstacles such as this, for a building to be dedicated to the heroes who gave their all for their country and fellow citizens. Regardless of the difficulties this building will be build. We need cooperation and help.—Will you? —

Our Post now has 130 members. More are needed. The veteran of today must unite in order to be heard. Many laws are sponsored by the American Legion which need your support. All our beneficial to the veteran. It costs only \$3.50 for a full year membership. Contact Ted Bons, the Commander or Sam Cole, the Adjutant, or any Legionaire. You are welcome to

NOTICE.

We wish to thank the voters of the Jefferson Union High School District for their splendid support of our proposal to increase the tax rate limit sixty cents for the coming five years.

The increased funds will enable us to erect buildings which are urgently needed and to meet the increased costs of operating the school.

We value your confidence and shall continue to do our best for the students, employees, and the taxpayers.

HUMOR:

"Sam, a father asked his backward son, 'how many letters are there in the alphabet?'"

"I dunno."

"You've been at school four years and don't know how many letters are in the alphabet!"

"Lemme ask you a question, dad. You've been to the post-office, haven't you?"

"Of course."

"Well, you tell me how many letters are there in the post-office."
